OPINION

Petitioner, a federal inmate, filed this lawsuit seeking leave to file a petition for habeas relief. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that the petition be denied. There are no objections to the recommendation. After an independent and de novo review of the record, the court concludes that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 20th day of May, 2019.
